Upon Your Arrival

Sunset Island is a private resort community that is guarded 24 hours per day.

Access is tightly controlled for the benefit of all who have permission to be on the Island. The rental company/owner that rented your unit to you should have registered your name on a master list of guests who will be coming to Sunset Island on the day of your planned arrival. Upon your initial arrival, the security guard will provide you with instructions for obtaining your parking passes and rental information. If you are arriving when the management office is closed, please obtain a temporary parking pass at the entry guardhouse. This pass will allow you to park at select locations on the Island until the management office reopens the following day but does not grant reentry through the front gate. The guardhouse is located at the entrance to the Island on 67th Street. Please have your lease agreement, a driver's license or other form of ID available and have the unit number you are staying in handy.

Upon receiving instructions from the security guard, please go directly to the Island management office to obtain your rental package, which contains parking passes, facility passes, ID bands and important information about the Island.

There is a fee for the rental packages, as follows:

Unit Type	Fee
Condominium	\$75
Townhome	\$100
Single Family Home	\$100

The fee can be paid in advance, or upon arrival at the management office, by cash or credit card. To pay in advance, please contact your rental company or call the management office at 410-520-0044. The management office is open Sunday through Thursday from 8:00 am until 4:30 pm; Friday and Saturday from 8:00 am until 6:00 pm.

ID Wrist Bands

Your rental package includes ID wristbands for each member of your party 12 years of age and over. The bands should be worn when using Island facilities such as the Interactive Fountain, Private Beaches, or when entering and leaving the Island by foot. The wristbands will permit the Island security to easily identify you upon your return to the Island or when using Island facilities. Wristbands do not grant access to the clubhouse facility.

Security

Security is on duty 24 hours a day, seven days a week. To reach the Security office, please call 410 524-3988. Roving security may be available to help with a security concern, however, we recommend you contact the Ocean City Police Department at 410-723-6600 or 911.

Vehicles

No trucks, jet skis or jet ski trailers, boats or boat trailers, campers, RV's or oversize vehicles are permitted on the Island. Passenger vehicles only, please. A list of Municipal parking lots that can accommodate this type of vehicle is available at the security guard house.

Pets

Animals and pets, except for service animals, are prohibited in all Sunset Island rental properties. If you are in need of a kennel for your pet there are several in the area including the Dogtel Hotel which can be reached at 410-213-8188 or Paws Time which can be reached at 443-856-9344.

Occupancy

Each home can only accommodate a maximum number of people, as such Sunset Island has set strict occupancy limits for the rental homes on the Island. All occupants including small children and infants count in determining occupancy.

Unit Type	Occupancy Limit
Condominium	8
Townhome	12
Single Family Home	12

Parking

Like many resort communities, parking at Sunset Island is limited.

If you are renting a Condominium Unit, you will receive 2 parking passes. One green pass is for a designated space in the parking garage of the building your unit is in, and a second yellow pass allows parking on the clamshell spaces along the roads.

If you are renting a Townhome or Single Family Home, you will receive 3 green parking passes. These passes allow parking on the driveway behind your unit or in the garage of your unit.

The parking permits should be hung from the rear view mirror and must be visible when you are on Sunset Island. Parking on asphalt surfaces is strictly prohibited. Please do not block alleyways. As you'll see below, improperly parked cars may be ticketed or towed.

Additional parking and parking passes are not available at Sunset Island. Extra vehicles will need to be parked on a side street in Ocean City or in one of the municipal parking lots in town.

About that Clam Shell Parking.....

Sunset Island was designed to promote a pedestrian friendly environment. To ensure your own safety, please walk on the brick sidewalks, not the streets. Kindly be advised that parking is not permitted on any paved street in Sunset Island, and only in the clam shell parking bays if you have a proper yellow pass and park with the flow of traffic. We have been advised by the Ocean City Fire Department that fire and life safety on the Island can only be assured if the streets remain clear of parked vehicles. Cars found parked in the street or with improper passes for the clam shells will be subject to ticketing, TOWING and fine. We would greatly appreciate your help and cooperation to maintain a safe and enjoyable environment at Sunset. If you have extra vehicles please see security for a list of municipal parking lots located off of Sunset Island but throughout the Town of Ocean City.

If your car is towed, you may retrieve it at the Public Safety building located at 6501 Coastal Highway. You may call the Town of Ocean City to inquire if the vehicle has been impounded at 410-723-6610. You will be responsible for any fees associated with your vehicle being towed.

We greatly appreciate your assistance in maintaining a clean and neat dining area. The Island Time Café and Bar will be open from Memorial Day to Labor Day from 10 a.m. to 9 p.m. depending on weather and staff availability. Off-season hours may be available and will be published at the clubhouse.

Sunset Island is a private resort community. However, all Ocean City codes and laws are enforceable. This includes the prohibition of open containers of alcohol in any common area. The General Store and the Island Time Café and Bar will provide areas where alcohol consumption is permissible. Please do not leave these areas with open containers of alcoholic beverages.

Alcoholic beverages are prohibited on the marina, private beaches, Interactive Fountain or other common areas. Only alcoholic beverages served by the café are permissible at the pool and clubhouse.

Island Perimeter Path

A path made of boardwalk and natural materials surrounds the Island. The path is approximately one mile long. Some portions of the path system run along the very edge of the Island. There are no railings in these areas, and serious injury can occur if proper precautions are not taken. Please use care when you or your children are on the path. Children should always be accompanied by a responsible adult when using the path system.

Interactive Fountain

The Interactive Fountain, located in the central plaza on Fountain Drive West, is a favorite venue for all ages. The fountain operates daily from early May through late October. The daily schedule varies depending on weather (winds) and regular maintenance requirements. A few things to know about the Interactive Fountain:

- Regular hours of operation are from 10 a.m. to 4 p.m. and 6 p.m. to 10 p.m.
- The fountain utilizes a closed water system with water treated by chlorine and other chemicals, much like a swimming pool. If you have reactions to chemicals in pool water, please do not enter the Interactive Fountain.
- The fountain contains a series of water jets that eject water at varying pressures. No infants or toddlers are permitted in the fountain.
- No persons with open wounds, large bandages, or other signs of potentially transmittable illness are permitted in the Interactive Fountain.
- No food, no drinks, no glass containers, no smoking.
- No bicycles, skateboards, scooters, roller blades, razors, etc

There are three small beaches on Sunset Island:

Sunset Cove - near the Clubhouse

Seaside Lookout - on the northwest side of the Island

- Please dispose of any trash in the trash receptacles on exit from the beaches.
- No fires are permitted on the beaches.
- No fireworks are permitted on the beaches or anywhere on Sunset Island.

SWIM AT YOUR OWN RISK.

Boat Slips

The boat slips located along the south side of the Island are private and available for rent to Sunset Island owners and guests. If you are interested in renting a slip during your stay you can receive an application by calling Dave Dombert at 301-370-5233. If you have questions about the boat slips, contact him directly for more information. Boat slips are available weekly or for the season. Boat slip rentals during the summer months cost approximately \$350 per week. Because the boat slips are a private facility, access to the docks is limited to those who have leased the slips. If you have not rented a slip, please do not venture onto the docks. Crabbing and fishing is only permitted at the crabbing and fishing pier and not along the boat slips or docks on the south side of the Island.

Please note there is no ramp for boat/jet ski put in and no trailer storage on Sunset Island property. A public boat ramp can be found at 87th Street and Bering Road. Trailer storage is available at the municipal parking lot on 100th Street. Advance Marina can also provide trailer storage and put your boat in the water for a fee. Please call 410-723-2124.

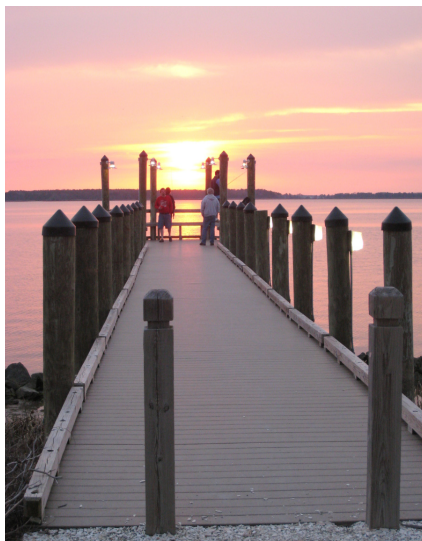

Sunset Island does not have boat or jet ski rentals. Boat and jet ski rentals are available at Advance Marine, which is located on the right hand side of 67th Street as you are leaving Sunset Island. There are several other locations in Ocean City that offer boat rides and rentals and you can check out any local marinas or the Ocean City Visitors Guides for more information.

Bayside Pier

A 100 foot pier is located at the end of Sunset Island Drive extending a short distance into the bay. The pier is the only location on the Island where fishing and/or crabbing is permitted.

- When using the pier, please clean up any trash, fishing lines, hooks, bait etc. when finished and dispose of properly.
- Shallow water – no swimming or diving in this area.
- No boat, jet ski, or watercraft access or mooring is permitted.
- Any equipment left unattended on the pier will be discarded.

Sunset Island's Bayside Pier

Environmental Protection Areas

Sunset Island has several Wetland Protection Areas around the perimeter of the Island. In order to help these plant and animal habitats thrive we ask all residents and guests to never enter an area marked with a Wetland Protection Sign or sectioned off with dune fencing.

Please do not throw landscaping stones into the pond, canal or bay.**

Trash Collection

Trash is collected by the Town of Ocean City on Tuesday, Thursday and Saturday. Trash containers located in the garages of the Townhouses and Singles should be put along the alleyways behind the homes by 6:00 am, and returned to the home promptly after trash pick-up. Trash containers are not permitted to be on the streets after 6:00 pm on the day of pick-up. Please be sure to get all of your trash into the containers and close the containers. Open trash, or trash in plastic bags placed on the street is not permitted. If your trash container is missing or damaged, please call your rental company or Ocean City Department of Solid Waste at 410-524-0318, for replacements.

The condominium buildings have trash chutes located next to the elevators. All trash should be sent down the trash chute before your departure. Trash too large for the chute must be placed in the dumpster located in the garage.

At this time the Town of Ocean City does not recycle.

Construction Activity

Sunset Island is an active construction site at the moment. Construction activities will generate noise and other nuisances during the day. Please exercise care during your stay to avoid any unsafe conditions that might exist. Please stay out of units that are under construction and out of the areas where construction is occurring. We appreciate your patience and cooperation as we complete the build-out of the community.

An important note about Sunset Island...

Our goal at Sunset Island is the satisfaction of our residents and guests. To that purpose we wish to remind all guests that living in an attached unit or condo building requires increased levels of sensitivity to one's neighbors. Guests should be cognizant that other residents are often located next to and/or under one's unit and should consider this fact in their daily activities. Please make every effort to keep intrusive noise to a minimum.
